

Discuss your debt recovery concerns with an experienced debt collection lawyer from Mendelsons, Prushka's fully integrated law firm. A legal letter will immediately be sent to your debtor, with a copy sent to you.

Product details

If you are seeking to take a harder legal line with a particular debtor or speed up the recovery of a large outstanding account, then a legal demand letter may be the ideal solution.

After speaking directly with a lawyer (an expert in debt recovery) a customised letter will be prepared for you on Mendelsons Lawyers letterhead. This letter will assist you in moving from using your company branding on demands for payment to a debt recovery law firm's letterhead.

Benefits for your business

- No hassles, no forms to fill in, **no appointments necessary.**
- You can discuss your debt with a lawyer who has experience in debt collection.
- **No commission payable** if the letter results in your debt being paid.
- **No obligation** to continue using us. The choice is yours!
- The legal demand letter is an ideal first step, allowing for more pressure to be applied if the debt remains unpaid.
- And all this for **only \$191.50 including GST!**
