

Product details

The Prushka Sticker System will empower your business with the Prushka Fast Debt Recovery name, conveying the strong message to your customers that you operate an effective accounts receivable system. This in turn encourages your customers to pay their accounts promptly.

With easy-to-use **Now Due**, **Overdue** and **Final Demand** stickers, the messages are designed specifically to act as a reminder to your customers, to settle their accounts in a timely manner in order to avoid any consequences. The stickers are placed onto your first, second and third statements/invoices and reminder notices respectively.

Benefits for your business

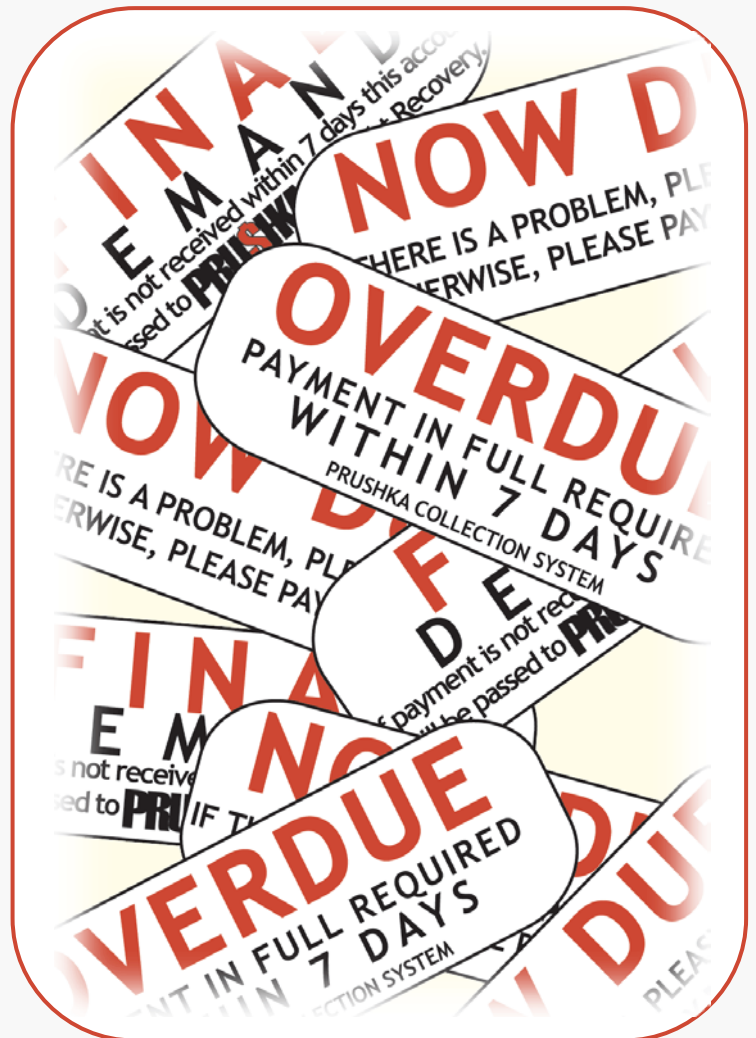

- By involving the “Prushka” name, it shows you **take a firm line with bad debtors**.
- Enhances your accounts receivable system by helping **isolate potential bad debts**.
- **Improves cash flow** by encouraging your customers to pay their accounts promptly.
- No obligation to continue using us. The choice is yours!
- And all this from **only \$95.50 including GST!**
