

Business Trading Terms

Business Trading Terms are offered in conjunction with Mendelsons Lawyers.

The cost for getting trading terms prepared by lawyers is normally many thousands of dollars.

Comprehensive and correctly worded trading terms establish a concrete foundation for your business, clearly defining your legal rights and relationship with your customers, from the beginning.

Business Trading Terms

With over 40 years of legal expertise in recovering overdue accounts, we know the most suitable clauses you should have in your trading terms.

Your trading terms may be incorporated into your quotes, order form, acceptance confirmation or account opening paperwork. We will provide you with a guide on how to effectively incorporate your new trading terms so that your customers are legally bound by them.
